

JMK BEHAVIOR
SERVICES INC.

WE ARE HIRING!

REGISTERED BEHAVIOR TECHNICIANS

JMK Behavior Services provides in-home and clinic based therapy that targets verbal behavior, skill acquisition, academic programs, and social skills to children diagnosed with ASD.

Our mission is to empower children one skill at a time by promoting independence. We also strive to empower parents, staff, and organizations to become successful advocates and teachers for their children.

We are seeking Registered Behavior Technicians and ABA Therapists to join our team.

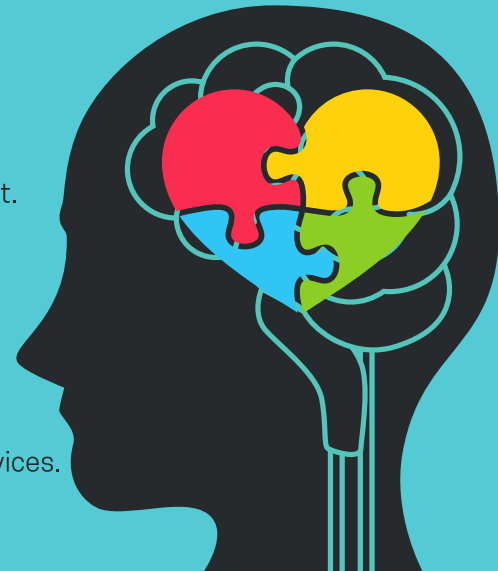

Part-Time/Full-Time

Job Description:

- Provide direct services to individuals with autism and other ASD diagnosis' by implementing programs developed by the lead BCBA, including but not limited to verbal training, skill acquisition, and social skills.
- Collect data during each session based on the individual client program.
- Attend all scheduled team meetings.
- Willingness and ability to adapt to a variety of situations and behaviors.
- \$18-\$23/hr
- Graduated Longevity Bonus for 1 Year, 2 Year and 5 Years of consecutive employment.

Requirements:

- Previous Applied Behavior Analysis experience (preferred).
- Experience with children with special needs, preferably autism.
- A reliable vehicle and valid driver's license with valid insurance.
- Willingness to learn, grow, and embrace the values and methods of JMK Behavior Services.
- Strictly adheres to HIPAA rules and regulations.
- Must meet background check requirements.
- Must be comfortable working in-home with the clients.
- We are open to discussing how Covid may impact this job, but would like individuals to apply who feel comfortable following safe practices to perform face-to-face duties. Proof of vaccination is required.
